Docket Number: 2011-158-E**

Dear Ms. Boyd:

Pursuant to Regulatory Condition 3.10, on a quarterly basis, Duke Energy Carolinas, LLC ("DEC") and Duke Energy Progress, LLC ("DEP") must file (a) a list of all active dockets at the Federal Energy Regulatory Commission ("FERC") in which DEC, DEP, Duke Energy Corporation ("Duke Energy"), or Duke Energy Business Services, LLC ("DEBS") is a party, with new information in each quarterly filing tracked; and (b) a list of the periodic reports filed by DEC, DEP, Duke Energy, or DEBS with the FERC.

Attachment A to this letter lists all active FERC dockets as of March 31, 2021, to which DEC, DEP, Duke Energy, or DEBS is a party. Attachment B to this letter lists the periodic reports filed by DEC, DEP, Duke Energy, and DEBS with the FERC during the first quarter of 2021. Black-line versions of Attachments A and B indicating the changes since the last filing are also attached. Additionally, one periodic report was inadvertently omitted from Attachment B for the Regulatory Condition 3.10 Report for Fourth Quarter 2020. Accordingly, an updated Attachment B from last quarter's filing is also included with this report.

The referenced dockets and reports can be accessed from the FERC eLibrary system at <http://elibrary.ferc.gov>.
